

How to Find Us

To find RCKa, walk north from Old Street Underground station, along City Road. You'll need to cross the road at the second set of traffic lights - just before Pret a Manger. Continue one and turn right once you've passed Sainsbury's and the Eagle Building, down the cobbled road called Westland Place, right to the end. Then turn left, and then right, almost to the end of Underwood Street.

Our studio is on the first floor at 16-24 Underwood Street - confusingly we have two front doors: the second of the two is the most convenient. We're on the first floor.
